E1.1.1.2. Each passholder is responsible for exercising every precaution to safeguard his or her pass. Appropriate disciplinary action shall be taken against offenders by the responsible DoD Component in instances involving negligent loss, willful destruction or alteration, misuse, or failure to report immediately the loss of a building pass to their supervisor and to the Building Pass Branch at extension 52265.

E1.1.2.1. Permanent Pass (DD Form 1466). This pass is issued to DoD personnel, other authorized Federal Government personnel, DoD consultants, DoD contractor personnel, university instructors conducting classes for DoD personnel, concession employees, and news and related media representatives who work regularly or frequently (at least 3 days weekly) in DoD buildings. These passes shall be issued only to U.S. nationals, immigrant aliens, and foreign exchange officers. Passes issued to foreign exchange officers must be requested by the respective Military Department or Defense Intelligence Agency foreign liaison office. A favorable Entrance National Agency Check (ENTNAC), National Agency Check (NAC), or NAC with Written Inquiries (NACI) is required for each U.S. national issued a permanent pass. Passes issued to other categories of personnel shall expire 1 year from date of issue, unless circumstances warrant an earlier expiration date. A permanent pass may be withdrawn at any time by the issuing DoD Component.
